

Club Communication

Club Database

The primary Club database for junior members is collated and recorded through the Sportsground website. Sportsground allows each team to have their own sub-websites that can be used for communication within the team. Sportsground also gets rid of the need for paper registrations as it links into the NZRU database to change any information about a player as soon as any changes are made in Sportsground.

Club Website

www.purc.co.nz

The Club website is designed to be a one-stop shop for Club members in terms of up-to-date events, dates and details. All results will be displayed on the website as well as photos and news. If you have any items you would like published on the website, contact the Junior Rugby Administrator – Ben Higgins.

Club App

Download the Pakuranga United App available on Android and iPhone. It has some super handy features like maps to every junior ground in Auckland and score notifications each Saturday so you can stay up to date even when you are away from the club. To download go to your app store and search P.U.R.C

Club Newsletter

Club members are kept informed on the weekly Friday Newsletter. This will contain events from throughout the week as well as important events/information that is coming up within the club.

Media Releases

The Club Chairman must approve all media releases except for reports of team games. In the first instance a copy of the media release must go to the General Manager through the Club office. Team coaches or managers may speak to the media over matters affecting only their team. Issues of a philosophic nature must be referred to the Club Chairman.

ARU Website

The ARU Website can be accessed via the draw section in the junior rugby pages on our website. <http://www.aucklandrugby.co.nz/Club/DrawsResults.aspx>

Facebook

Pakuranga United Rugby Club is also on Facebook! Keep up to date on the latest news at the club and what events are coming up. <https://www.facebook.com/pages/Pakuranga-United-Rugby-Club/120192528047774>

Team Communications/Player of the Day Certificates

There will be a communication box in the Clubrooms which will be updated on Thursdays by 5pm every week. This will contain your player of the day prizes and any other information for coaches, managers and teams. It is important to make sure someone from your team clears this box weekly.
