

## COMET FOOTY TIPS

### MyCOMET: Overview

MyCOMET is the online member profile and registration portal for all members for football in New Zealand. Whether you are registering for a course or just simply paying your registration fees for the year - it is all managed through MyCOMET.

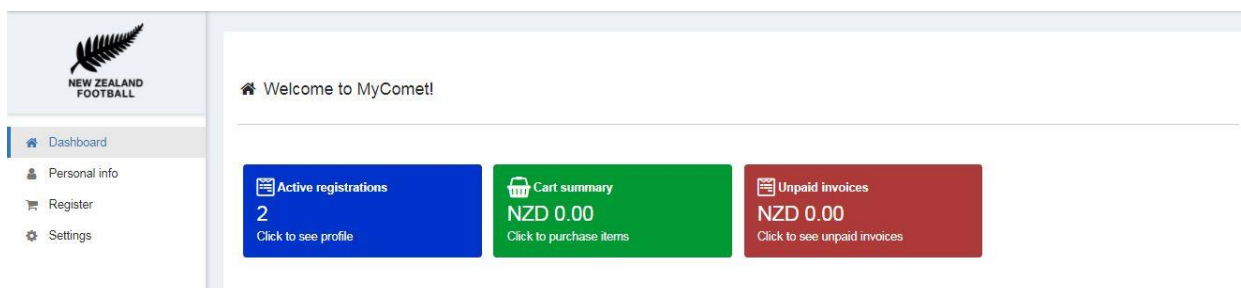

**Note that if you are completely new to the game / do not have a MyCOMET profile** – simply create one by selecting **Sign Up**.

#### Logging In

- You may access MyCOMET from [HERE](#)
- Every registered member of NZ Football will already have login credentials to sign into their MyCOMET profile.
  - If you do not have these details, select **Forgot Password** to have your credentials sent to you
  - Note that this will be sent to the email address recorded against your football profile. If you do not receive an email, get in touch with your Club or federation to ensure that your email details are correct.
- Enter in your username and password and select **Sign In**.

Once logged in you will see you will be navigated to your Personal Information page. Make sure your details are up to date; use the **Contacts** tab at the bottom of the page to update your contact details.
