

## M.G. Car Club Canterbury Centre Inc.

Welcome to the M.G. Car Club Canterbury Centre Inc. We are one of four M.G. Car Club Centres in New Zealand, affiliated to the MG Car Club UK Ltd and part of the international organisation of MGCC Centres in over 20 countries. Other contacts include national and international MG Groups such as the New England T Register (NETR) based in the USA, the MG Owners Club and the Octagon Car Club in the UK.

Our objectives are the maintenance, preservation and enjoyment of the Marque MG, promoting contact and communication between members and owners of MG's primarily through a wide range of social and competitive events. Club membership provides the opportunity to make new contacts and friends who share a common interest, not only in Canterbury, Nelson, Marlborough and the West Coast, but also in other parts of New Zealand and in fact throughout the world. We meet on the first Friday of each month and publish the 'Canterbury MaG' bi monthly, a magazine of news, events and MG information by, about and for members.

Active membership will ensure you get the most from what could be the best motoring "investment" you've ever made.

To join this active and exciting Club complete this form and return it to:
