Comment: A great turn out for the first ETT of the year. The top ride was 33:08 by Jeff Lyall, closely followed by Mark Langlands, who showed one does not need a time trial bike to post a fast time on the course.

The logo of the Wellington Veterans' Cycling Club (Inc) is a circular emblem. It features a stylized illustration of a cyclist in motion, wearing a blue jersey and red shorts, riding a red bicycle. The text "WELLINGTON VETERANS' CYCLING CLUB (INC)" is written in a circular path around the cyclist, with "WELLINGTON" at the top and "CYCLING CLUB (INC)" at the bottom.

Weather:	Very strong blustery NW winds
-----------------	--------------------------------------

Comment: The very strong blustery NW winds made it difficult for riders, but in spite of that there were some very good performances. Richard Van Looy was the fastest of the day with 57.12 while several riders were just over the 1 hour mark. Honourable mentions go to Ray Marshall and Sue Lyttle for their fine effort on a tandem; and to Brendan Bateup and Shane Eagar for taking the top places on handicap. However, the rider of the day award went to Michael Bradley, who was fourth overall and third on handicap.

Event	Evening Time Trial, Liverton Road Circuit (24km, 4 laps)		
Date	18 January 2012		
Race Manager	Dave Grimmond		
Time Keeper / Marshalls	Jonathon Paape, Paul Whyte, Fay McGregor		
Weather	Brisk north-westerly wind		
Comment: The feature of the day was a sub-31 minute ride by Andy Hagan, which despite the strong wind was just 34 seconds off the all-comers record. Thanks to the marshalls for putting on a smooth running event.

Weather:	Fine with north-west wind		
Comment: Competing events (Karapoti, Kapiti Cycle Challenge) contributed to a small field, but those who attended had a great morning racing. The hilly parcours meant that groups tended to splinter, reform and splinter again. John Carran and Garth Stewart worked well together to catch all riders in front. The scratch riders' chase was delayed, as they did the right thing stopping to check on Grant Ngarewa when he crashed. Thanks to Allan and his team of helpers.

Rider of the Day

[illegible]

Event		Evening Time Trial, Liverton Road Circuit (24km, 4 laps)				
Date		25 January 2012				
Race Manager		Dave Grimmond				
Time Keeper / Marshalls		Paul Whyte, Peter Philipsen				
Weather		Fine, calm				
Comment: Good conditions meant that a number of riders achieved PB's. The evening was marred by Shane Fookes' fall at the home end of the course - shaken, grazed and bruised, but seemingly OK otherwise. Thanks to Paul Whyte for administering first aid.

Comment: A contrary stopwatch made timing more difficult than usual. An unfortunate outcome of this is that we did not manage to collect the time for one of the riders (Stu Henderson).

Comment:		Great turnout (44 riders)! No rain! All marshals able to stand up in the wind No race signs blown over Seven riders went under the hour. Our oldest club member was a clear winner on handicap. Deb Wright passed her timekeeping exam with an NCEA ranking of "Achieved with excellence". And special thanks to Karen and Rob Stewart who helped Deb with back-up timing and number spotting at the finish.

Event	Parkvale Circuit Graded Road Race		
Date	8 January 2012		
Race Manager	Allan Stowell		
Time Keeper / Marshalls	Paul Whyte, Doug Mabey, Ross Mitchell, Mike Van Ansem, Andrew Linton, Kirsten Goodin, Judy Jenner, Sally Jackson and Amy Champion		
Weather	Moderate Southerly, cool, with persistent rain.		
Comment: The A Group broke up early , collecting 2 punctures in the first lap, with Steve Chapman and Joel Healy clearing out from the remaining 5 riders, setting a good pace for the conditions. Joel was too strong at the finish. The B Group stuck together until near the finish, when Ryan Champion, one of our new members, powered ahead of Grant Kellet, who put in a huge effort up front during the ride. There was a tight contest in the C Group as well and it was great to see Mike Elliot returning to road racing and putting the heat on some much younger riders. John Bowditch didn't like the D Group's company so decided to do a risky but successful solo ride. 2nd to 4th placings were hotly contested. Good competition was also had in the small E Group with full marks going to John Goodman for completing the race after being dropped fairly early. Thanks to all riders for turning up to race on a miserable day and special thanks to the many helpers, in particular those who ended up wetter than the riders. Paul Whyte, Doug Mabey, Ross Mitchell and Mike Van Ansem marshalled. Andrew Linton and Kirsten Goodin drove the lead car and Judy Jenner, Sally Jackson and Amy Champion ably assisted with timekeeping under very trying circumstances. Any timekeeping errors are the sole responsibility of the race manager (who is still drying out).

Weather: Stiff southerly wind

Comment: The strong southerly slowed times. Rider of the day went to Steve Orchard who produced a strong ride after riding over from Wellington. Honourable mention should go to Tim Plamer for cracking the hour despite the conditions and the stong rides of the handicap podium: Derek Smith, Shane Eager and Pat Evers.

Event		Miramar Peninsula Handicap Road Race (31km)					
Date		18 September 2011					
Race Manager		Robin House					
Time Keeper / Marshalls		Ross Penman, Tim Palmer, Peter Dickinsen, John Sowerby, Lyn House					
Weather		Calm, steady rain, cool					
Comment:		Wet conditions contributed to five riders puncturing. The field also missed out on the company of Deborah Wright who cycled in from Petone to participate, only to miss the race start due to under-estimating the commuting time. The finish up Mt Crawford sorted out the bunches. Thanks to all the marshalls for their devotion to the cause in trying conditions.

Event		
Carrington Circuit Graded Road Race (A, B, C grades 5 laps (60km), D, E Grades 4 laps (48km))		
Date	20 November 2011	
Race Manager	Derek Locke	
Time Keeper / Marshalls	Claire Bygate, Simon Bygate, Robert Bird, Alistair Rhodes	
Weather	Fine with strengthening wester	
Comment: A very good field of 33 riders with a large B grade contingent. A grade, after some "disucssion" rode away with Rob Kilvington taking out the A grade Sprint and Peter James burgling the B grade. Meanwhile the C graders were riding well with a smaller group of Derek Smith and Allan Stowell with Amy Champion in her first race for the club. Amy competed very strongly in tough conditions for the rider of the day closely followed by Melissa Pilla who was first across the. As usual the E grade contested the event strongly with Ellis Goodyear completing the course well. There were 8 DNF's with the strong winds.Chris Best deciding that he didnt want to repeat last years crash wisely pulling out.

Event		Makara Beach to Karori Hill Time Trail (9.7km, 252 vertical m)						
Date		5 November 2011						
Race Manager		Derek Locke						
Time Keeper / Marshalls		Peter Philipsen, Gail Philipsen, Derek Smith, Wayne Sowerby						
Weather:		Sunny but cool with brisk westerly						
Comment: The cool conditions suited the riders better than the marshalls who froze despite the plenty of sun. "Driver" of the day went to Brett Murray who struggled to find the start line, Brett did a great ride considering he had no time to warm up. Congradulations to Tim Palmer for blitzing the field and creating the record for this new event.

Event		Handicap Road Race, Wallaceville/Mangaroa Circuit (53km)						
Date		9 October 2011						
Race Manager		Derek Locke						
Time Keeper / Marshalls		Ellis Goodyear, John Bowditch, Peter Dickinson, Laurie Farrington						
Weather		Clear, light easterly wind						
Comment: It was a day for the scratch group who worked well and rolled past all of the other groups. Special mention goes to John Holloway, who punctured about half way in, yet managed to repair and catch back up to his starting partner by the top of the Mangaroa Hill.
