

2023 Satellite REGULATIONS

When reviewing the Netball Taranaki Constitution, Regulations and Handbook, we have considered what will make Netball better in our area and have tried to implement ideas that:

1. Improve Coach Development, opportunities and recognition
2. Improve Umpire Development, opportunities and recognition
3. Improve Bench Official Development, opportunities and recognition
4. Improve individual player development and opportunities at all levels of the game

To this end, some of the ideas are radical and we hope will promote positive outcomes and opportunities.
