## The donations (that will be itemised on the term accounts) include:

- Special Character Donation – this allows the Board to operate the school in accordance with the goals and objectives of St Oran's College, including its Special Character. This is required for the provision of Chaplain's expenses, Christian Education resources, wider educational, recreational and cultural opportunities and to provide the class sizes that parents seek to be a feature of the school, which Government funding does not provide for.
- Building Donation – this provides the funding for ongoing building and facility improvements required by St. Oran's College.
- ICT Donation – this assists the Board to provide ICT equipment, services and facilities, which the Government funding does not cover.
- Parents' Assn Donation – these funds allow the Parents' Association to make donations to the college that are for the benefit of all students, educational resources and environment facilities/ equipment etc.

## Fees Protection Scheme:

- The Hutt Valley Presbyterian College for Girls Inc. operates a Fees Protection Scheme that parents can take advantage of. Under this optional scheme, claims made against the policy are paid at the current fee/donation rate to Hutt Valley Presbyterian College for Girls Inc. to manage, and guarantee the student's continued education at St. Oran's College up to and including Year 13.

(known as St Oran's College)

Payment of fees/donations can be made by a variety of methods including cheque, cash, automatic bank payment, Eftpos with debit/credit card. All cheques will need to be made out to **Hutt Valley Presbyterian College for Girls Inc** or abbreviated to **HVPC for girls**.

Automatic payments are an easy way for some parents/caregivers to meet this payment.

## **For those wishing to set up automatic payment of term accounts for the first time:**

**Term Accounts are issued four times per year. You will be advised by letter in December of the 2022 Fees/Donations.**

The College allows automatic payments to be made from January to December. Payments must be regular i.e monthly, fortnightly or weekly, otherwise you will be expected to pay the fees/donations by the due date each term. For a monthly payment we suggest that \$400 per month from January to December would be a suitable amount.

Where music fees are billed, they must be paid separately as they are not covered by the automatic bank payments.

In November we will write to you and advise you if your account will be showing a credit/debit after the last payment in December. All funds outstanding must be paid by the beginning of December.

## **Please make direct payments to:**

**It is most important that your daughter's name appears on our bank statement and that your automatic bank payment starts in January.**
