

Event: Graded Road Race - Mangaroa (A/B 5 laps, C/D 4 laps, E 3 laps, Women's Long 3 laps)

Manager: Malcolm Standrill **Date:** 17/01/2021

Time Keeper / Marshalls: Deb Wright, Marcia Black, Coral MacLennan, Gene McNaught, Rommel Reyes, Dwayne Southey, Esko Wiltshire, Michael Detera

Weather: Overcast, warm & slightly breezy

Rider of the day: Dianna Borman for driving the D grade race from start to finish & earning a well-deserved win. Richard Henderson for stepping up to attack A grade on the penultimate climb. We might need to have a word with the handicappers if he keeps this up ☺ A special mention also to Kristine Ford who rode valiantly and solo chasing B grade for what must have seemed like forever.

Other comments: Despite dark clouds the riders only had the course, a stiffening wind and each other to battle. Arguably one of the harder races on the WMCC calendar everyone stepped up to the plate and were giving their best shots. Great to see the numbers in all but the A grade. Unfortunately, we had an issue with the printing race timer and have 6 unreadable times. This will not impact placings as the finish order is correct. 2 of these are for E grade and we have allocated a finish time of 1:42:00 and 4 are for C grade which have been given 1:43:00.
