

National Squads 2020 Release

The TTNZ Selection Panel is pleased to publish the 2020 National Squads (conditional on formal acceptance). Please note the following:

- ☐ There will be no Senior Men's/Women's Camp and/or Trial in 2020. This is in part, due to the Olympic Long List Athletes having first rights, even if they are not a member of a National Squad, to team selection places for the major events in the first half of the year. Please see the updated 2020 TTNZ High Performance Programme, under the 'High Performance/Events Selection Criteria' tab on the TTNZ website, for further relevant information.
- ☐ The Events Selection Criteria now contains dates, locations and criteria for all the events that we are targeting in 2020 (except the Oceania Hopes Week and Challenge) including the World Junior Championships (in Portugal) should we qualify through the 2020 Oceania Junior Championships in Brisbane.
- ☐ Due to logistical reasons the now combined National Hopes/Cadets and Juniors camp/trials has been moved from Hamilton to Christchurch and the dates changed to 23 – 26 January – this has also been updated on the 2020 TTNZ Event Calendar.
- ☐ While TTNZ Player Agreements will be sent out in the next week or so, and need to be signed/returned by 30 November 2019, if you could email Bruce Northover (email below) with an early advice of attendance, or not, this would assist us significantly if changes to squads are required – especially in the Cadet and Junior Boys.
- ☐ Should anyone have queries/concerns about the make-up of the National Squads please email Bruce Northover (Convenor of Selectors) at northover.clan@xtra.co.nz with your questions.

2020 TTNZ HIGH PERFORMANCE PROGRAMME

National Squads 2020

Selected on or before 31 October 2019

Criteria:

The National Squads in 2020 have been selected strictly from the criteria applied over the 2019 season. Squad selection was dependent on results and tournament participation and conditional upon having no outstanding conduct issues or financial liabilities. Players in the National Squad must be part of a Regional Squad. Criteria can be found on the following link:

www.sporty.co.nz/asset/downloadasset?id=9903802a-ad7e-43a6-af5f-e6b8532fc747

Players must qualify for a National Ranking – have played at least four rated tournaments during the year. At least one tournament must be in player's age category.

- ☐ Players will need to have played the specified number of tournaments, in the previous 12 months, to qualify for selection to a Regional Squad
- ☐ Further, players will need to meet the selection criteria for the Regional Squad and have played either the North Island and/or South Island Individual Championships, and National Championships in the previous 12 months, to qualify for the National Squad
- ☐ Each National Squad is made up of 10 players per category per gender although dispensation maybe given to lift the number of participants, in the Hope's Squads, if required. TTNZ National Squads from 2020 onwards may contain selected "Permanent Resident" athletes who are listed on the ITTF Eligibility Register at time of selection. They will be eligible for selection for events that do not require "New Zealand Citizenship" e.g. Australian National Junior Championships. These "PR" athletes will be in addition to current squad numbers
- ☐ Two players (per gender, per category), from each region, have been selected for the National Squad, subject to National Squad criteria being met, (i.e. 6 of 10 players are selected from the Regions). The remaining 4 players (and any positions not filled by a Region or Regions) are 'selectors choices' as selected by the TTNZ National Selection Panel
 - o Regions to advise players for selection no later than **25 October 2019**
- ☐ All players selected for Regional and National Squads must sign a TTNZ Player Agreement and abide by its terms and conditions at all times
