

Kenneth Neale Stott

Only a few people currently at the club would have met Ken Stott, who died in Wellington on 28th December aged 87. He was a life member of the club and was the only club member to become President of Bowls New Zealand, a position he held in the 1999-2000 season.

Ken was one of the movers and shakers behind getting the Dunedin Bowls Stadium built as he was President of Bowls Dunedin in 1988-89. He first appears as a player on our honours boards in the 1987-88 winning the men's fours and triples.

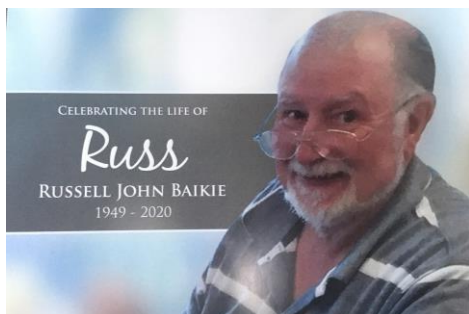

Married to Mary for 64 years he moved to Wellington to be with family about eight years ago.

SAD NEWS IN THAT TWO OF OUR MEMBERS HAVE PASSED AWAY

BOWLS IN 2021 IS UNDERWAY

Russell Baikie

Russ passed away one week before Christmas a few weeks after being diagnosed with pancreatic cancer. Russ, along with Philippa, joined the club in 2014.

The club flag flying at half mast.

Russell was a member of the committee, and Philippa, who is also a committee member, will continue in this role.

His knowledge of mechanical, electrical and other practical matters was greatly appreciated when it came to getting things done around the club.

National Tournaments

It looks like we may have a men's and a women's team attend the National Fours in Central Otago over the last four days of February. The other opportunity to participate in the National Mixed Pairs being played there during first three days of March. Entries close 31st January. See Geoff or Cathy.

Long Lunch

After the success of the inaugural community long lunch last year the next one takes place on Sunday, 21st February. Be in quick for tickets.

On the Friday night before that from 5.30pm a community night is being held. Bring some nibbles and enjoy meeting the neighbours.

Heat Pumps

The committee is working towards getting three heat pumps installed. An application has been submitted to help with the funding towards the cost of these plus

upgrading the switchboard, which has to be done first.

Scope donated the one currently at the club awaiting to be installed. Before the winter we hope this project, along with the one to renew the bar and kitchen floor, will be completed.

Everyone who has recommended having functions at the club have made this possible as this income from outside sources has been most valuable.

From the Archives

Next season is the centenary of the formation of the women's club at Roslyn. Amalgamation of the men's and women's clubs took place in the 1990s at the encouragement of Bowls New Zealand. The committee is hoping to celebrate this milestone in some significant way.

An excellently arranged "gala was held on the Roslyn Bowling green on Saturday, not only to mark the close of the 1029-30 season, but to interest the bowlers and their friends in the benefits to be derived from the sport. The sum of about £30 was raised for the club's funds. The ladies associated with the club took an important

share in the work, and raised considerably over £10 from the sale of afternoon tea, sweets, and produce of various kinds.

The president (Mr S. Lawn) opened the gala with a few words of welcome and voiced his and the club's indebtedness to the ladies, and also to the club members for their efforts. Special mention was made of the kindness of Mr J. L. Passmore, who brought to the green his loud speaking electric gramophone. Music from this instrument was heard throughout the afternoon, and added considerably to the enjoyment of those present. The Mayor Mr R. S. Black, who is a member of the Roslyn Club, was on the green most of the afternoon, and was accompanied by Mrs Black. Drawing and driving competitions were held, and the excellent condition of the green was commented upon. Otago Daily Times, Issue 21014, 1 May 1930, Page 6

INTERCLUB GAMES. In the interclub games played by the Otago Ladies' Bowling Association on Tuesday, St. Kilda beat St. Clair, Dunedin beat Caversham, Leith beat Port Chalmers, Valley beat Roslyn, Mornington beat Green Island, and Bay beat Kaituna. Otago had a bye. The draw for next Tuesday is as follows:— St. Clair v. Dunedin, at St. Clair; Leith v. Kaituna, at Leith; Valley v. Caversham, at Caecrsham; Port Chalmers v. Mornington, at Port Chalmers; Otago v. Green Island, at Green Island; Bay v. St. Kilda, at Bay; Roslyn a bye.

Another work group enjoy finishing the year with a social function at the club, described by one visitor as like visiting a good old New Zealand crib.
