AIMS GAMES 2023 RESULTS

This year we had 23 individual athletes that with the support of their whanau travelled up to compete in their chosen sports. TIS were represented across 10 different individual sports. It was so awesome to see our athletes perform in their code and achieve their personal best on the national stage.

A huge thanks to all the parents that supported their children to compete at AIMS games, your positive encouragement towards all our TIS athletes throughout the week was fantastic!

AIMS GAMES

FUTSAL

Taradale Intermediate continues its top 10 placings at AIMS – over the last 5 years we have placed 10th, 8th, 7th, 5th and 4th.

4th is a hard place to accept but it was wonderful to witness the sportsmanship and humbleness of the boys in victory and defeat.

A massive thank you to Kadin, Zac, Steven, Matthew, Sam, Riley, Harry, Remy, Jasper and Jake – an amazing group of young men to take away for the week.

Thank you to the families of these learners – your support with fundraising and throughout the week last week.

Big thanks to Mrs DW for her organization, Ms Eddy for her support at AIMS and to all of the TIS learners who supported each other at AIMS.

To our coach, Ethan Spencer – thanks for everything. Your calmness, maturity and coaching is outstanding and well beyond your 17 years.

Roll on 2025!

AIMS GAMES

MIXED HOCKEY

The AIMS Mixed hockey team, made up of 5 girls and 5 boys, worked very hard in their build-up to AIMS and became a focused and tight unit. They played some magnificent attacking hockey to win all of their pool matches and were placed 6th overall. As well as developing their hockey skills, strategies and team culture over the week, they learned many of life's lessons and made forever friendships.

Thanks to our coach, Sundhya, for all of her time and hard work creating such a positive team culture, on and off the field, and to our umpire, Carl, for his unwavering support during the week. Thank you also to our very generous sponsors (pictured) who helped to fund much of the AIMS trip. Most of all, thanks to all the players for making the trip so worthwhile and representing TIS in a rewarding and positive way.
