Five Groups. Top **five** point's scorers from each group plus the first place getter from a repechage race which will be the first race on the Finals night.

In the event of a tie on points per group the tied vehicles (from that group) will be required to take part in a "run-off" to determine who proceeds to the finals for the Championship.

Once qualifying is completed and the top 26 cars have been found there will be a further second tier Championship made up in order of qualifying points. i.e. After the one /two Repechage drivers have been found the next six or eight (depending on entries) out of each group plus the next two highest points scorers.
