President's Report

The 2022/2023 season was the club's 137th season. We now have full access to all of the facilities of Waiora (our new shared clubrooms), and what a difference it has made to the running of the club.

Unfortunately, the first half of the season was interrupted by poor weather, however the club again fielded eight teams, (Six men's and two women's). In addition, there were 20 junior teams plus the super star academy programme for youngsters.

The Premier Men's team retained their position in the Premier competitions for next season coming 3rd in the Ewen Chatfield one day competition and 4th overall in the Pearce Cup

Once again one of the features of the side was the all-round contribution from a solid core of players. Notably again a number of the players played their junior cricket for the club. Sadly, however two stalwarts David Hudson and Rakitha Weerasundara have left for Australia and will be missing for the new season.

The leading run scorer for the men's Premier team was Gareth Severin, who won the Bryan Malin Trophy and Maximus Petrie was the leading wicket taker winning the Robert Turner Trophy.

After outstanding performances in Club and Wellington A teams over recent seasons, Gareth Severin made his first class debut for the Firebirds late in the season and in a match against Northern Districts scored a tremendous 196. Gareth was awarded the John Butt Memorial Trophy, as the JCC Club Cricketer of the year and the Nigel Blair Trophy as the Premier Men's Player of the Year. Devan Vishvaka, Nathan Smith, and Nick Kelly were also selected in the Firebirds teams. The latter two only being available to play on odd occasions for the club.

Gareth Severin

Devan Vishvaka

The Reserve side once again ably managed by Clive Kirby performed well, finishing sixth overall. The winner of the Dennis Duggan Cup for player of the year was Callan Holgate.

The Premier Women's side which combined with Wellington Collegians came runners up in the one day competition and 3rd in the T20 competition. The rising star Dhriti Girish not only won the batting and bowling trophies but also the Molly Bleakley Cup, for the most valuable player of the

year. She also won the Luke Woodcock Trophy for the most outstanding player in the club under 20 years of age.

Well done to Maximus Petrie, for being selected in a Wellington City side and the Wellington Māori side. Congratulations to Dhriti Girish, Anvi Verma, Hannah Leckie, Zara Mellsop, Aesha Sukhu, Aaryana Ganesh, Gracie McIver, Emma McKenzie, Senali Vasanthathilake for being selected in their respective age group representative sides. Also, to current and former Women players who won representative honours, Leigh Kasperek, Jess McFadyen, and Maneka Singh. Leigh being controversially left out of the White Ferns World Cup side again but being recalled for the winter tour to Sri Lanka.

Congratulations to all of the other trophy winners who are recorded elsewhere in this report.

Thanks again to Rick Mudgway and Wendy Welsh and the Committee for their contributions throughout the year. Wendy's efforts were recognized with her being awarded the Allan Brider Trophy. The club's financial position remains very sound as we move into a new era as a member of the AMPSCI multi club facility.

Thanks also to Cheryl Styles for her scoring services and to Colin and Leanne Severin for their contributions managing the Premier side.

To all of the other committee members, and people who contributed during the season thanks as well. Particularly those helping with the Junior section which is such an important part of the club's activities.

As we approach the new season we are nicely positioned as one of the strongest clubs in the Wellington region with arguably the best facilities. Here's to another successful season.

Alan Isaac
President

Chairman's Report

We entered the start of the 2022-2023 season full of hope and joy-New Zealand had relaxed Covid 19 restrictions, and as best as we could we were about to return to normal life as we had previously known it.

That was before a couple of bombshells affected the game we love- weather disruptions the likes of what we had not encountered previously; the premature release by NZ Cricket of an untested and untried scoring, registration and database management system causing mayhem and frustration to our volunteer community, and various other matters that did make life difficult for our players, parents, administrators and the like.

Before I leave the subject of NZ Cricket's forced roll out to us of this new scoring and database management system called PlayHQ I can't but comment on the facts that surround this matter- that is NZ Cricket dumped a NZ owned and developed scoring and management application that had been rescued out of receivership by a local Wellington businessman and that had saved NZ Cricket from ignominy only for that said organisation to then go behind this company CricHQ's back and develop from scratch a replication of what CricHQ offered and provided. Although not totally brilliant it was well known and trusted by the wider cricket community. We are disappointed and surprised that the hierarchy and the Board of NZ Cricket did not take more affirmative actions to investigate what went on behind the scenes for this to occur.

Anyway enough of the negatives!

SENIOR CLUB SECTION

In his President's report Alan Isaac has commented on our teams and their placings in the respective senior grades in which we participated as well as our players who were chosen for Wellington representative honours. I reiterate our congratulations to all of those players. Whilst there was no silverware this season for any of our teams we were encouraged by the performances of a new team the Blue Caps who participated in the Division 3 Wellington T20 grade as well as the showings by all three of our Girls Hardball teams.

It should also be noted that our Premier Men's team are one of only four club teams that compete at the highest club level available in Wellington alongside Taita, Hutt Districts and Eastern Suburbs. This is something that we should not take for granted as we have all worked very hard to get Johnsonville back up into the very top echelons of club cricket in Wellington as evidenced by our winning of the supreme club championship the Pearce Cup in the 2020-2021 season and the 2021-2022 season-not many clubs can go back to back in winning that trophy so well done to all of the players who played in the Premier team for retaining this elite status.

Player Availability

For a variety of reasons the season also threw up the most player availability issues that we as a club had ever encountered. At the season start we had close to 40 players registered and available for selection into one of our top three X1's and we were wondering how we could get all players cricket if everyone was available on all occasions. Little did we know that on many occasions trips to the T20 World Cup in Australia, stag parties and even weddings during the cricket season (holy hell!) and severe injuries to two of our most consistent players the Edgecombe brothers, would impact on our teams so much that coach Matt McEwan dicky knee and all, had to don the pads on several occasions. This was a worry for coach McEwan and no doubt has led to a few more grey hairs appearing on his scalp! Nevertheless we did get through and all teams that are contestably selected

(1st-3rd XI's) managed to retain their grade status and avoid being relegated from their grades. So again a well done to all players who helped recruit players and who went out of their way to be available.

Senior Women's Cricket

Sadly we were unable to field a standalone Premier 1 Division women's team as only five regular players from the previous season were available. To ensure that we provided cricket for these ladies, as well as retain a link to them, we partnered with the Collegians club to field a combined team in this grade. The team made the final of the 40 over competition and finished 3rd in the T20 component of the competition. Special thanks to all of those players, especially captain Annissa Greenlees who stuck with the ship, and we hope that we can once again return to fielding a standalone team in the next season.

Despite being warned a few years ago that there were not really enough senior women players playing the game to warrant a six team competition (it was previously 5) Cricket Wellington chose to ignore those suggestions and press onwards. I wish just sometimes that they would listen to the voices out at the coalface who know the lay of the land and not be ideologically blindsided to field the biggest and the so called best-a sad fact but very few if any Cricket Wellington personnel have ever been involved in club cricket administration which in itself tells the story.

There is tremendous growth happening at the grassroots level for female cricketers but 10 years of neglect by the powers that be in cricket will not be overturned in 5 minutes, and it will take time for these young players coming through to be ready and skilled enough to play elite Premier 1 women's cricket, as after all it is supposedly a senior women's competition.

Despite a somewhat pessimistic start to this report there were many positives and highlights that did come out of the season

- **Gareth Severin** being the leading run scorer in Premier 1 Men's club cricket which ultimately saw him rewarded with a number of games for the Firebirds. These games included an outstanding innings of 196 where his efforts almost saw Wellington score an unlikely win against Northern Districts. Gareth's efforts have subsequently been further recognised with him being awarded his first Firebirds contract.
- **Scott Mudgway** achieving the unique feat of playing 300 games for the Premier 1 Men's team as well as being the clubs leading run scorer in Premier cricket; having taken the most dismissals (now just 5 short of achieving 500 catches or stumpings) and taken the record number of dismissals in any one season. A picture attached shows Scott receiving a recognition from the club for his 300 games.
- Sadly we bade farewell in late January to a club stalwart **David Hudson** who has relocated to live in Melbourne. David finishes his career with the club having played 151 matches' taken 270 wickets at an average of 18.2 with best bowling of 6/23. David also took 5 plus wickets in an innings on 9 occasions. We shall miss Dave's metronomic line and length bowling and his role for many years as the spearhead of our bowling attack-all the best Dave in Melbourne. We hope that Dad Graeme will continue to be around the club as a supporter and as a drinking buddy for yours truly!
- We also bade farewell at the end of the season to **Rakitha Weerasundara**. Rakitha was a former junior player who came back to the club at the end of his secondary schooling. Raki and his wife were heading overseas on a belated honeymoon with the intention of eventually settling in Sydney. Raki was good enough to be a New Zealand Under 19 representative and also played over a number of seasons for Wellington A without quite cracking it into the Firebirds when many players of lesser quality have done so. Who will

forget Raki's captains knock of 199 not out to secure us a first inning lead of 192 in our Pearce Cup final against Taita and who would eventually lift the trophy for the first time so Raki will go down at the club as the first winning captain of the Pearce Cup winning team. Raki finishes with 174 games for the club; 5113 runs including 7 centuries (highest score of 199 no) and an average of 30.8. A more than useful off spinner Raki also finishes with 119 wickets at a very good average of 19.6 and best bowling of 5/26-good luck Raki on whatever the future holds for you and thank you for your outstanding contribution to our club.

Raki

Huddo

- **Past Players Day 11 February 2023** we introduced some new events to the function:
 - **High Tea** for partners and Mum's of Premier team players which was well supported. It was in recognition for their part in allowing their sons / partners to give up all day Saturdays to play the game they love. Thank you for your support.
 - **100 Games+ Award** We also introduced a new initiative in presenting commemorative caps to male players who had played 100 or more games for the Senior/Premier Men's team. A great initiative well received by all in attendance either personally or by way of a family representative. We even had the famous Gareth Powell beaming in from where he now resides Bangkok.
 - **Life Member Badges** We also took the opportunity to present a Life Members badge to all of our current living Life Members and this too was extremely well received.
 - It was great to see such a good turnout at Past Players Day and we thank those who travelled from as far away as Auckland (Ross Verry) and or whom zoomed in as regards Gareth. A challenge was laid down by Lisa Chafe for club president Alan Isaac to now go ahead and replicate a commemorative cap for female players who may also have played 100 games for the club-over to you Alan. Some pictures of the event are included in this report. Thank you to everyone who made the effort to come out and support this event and it was great to see so many old faces there. On a comical note when I returned later in the evening to collect my car, my wife was identified as an Uber driver by two gentlemen who were clearly worse for wear-great to see you enjoyed yourselves Nigel and Alan!
- We negotiated a new major sponsor to join **Russell Properties** as major sponsors of the club-**Kilbirnie Sport** have come on board as a sponsor and we thank Scott, Mark, Darryl, Rowena and Johnathan for their continued and renewed support for our club. They would by far and

away be the best cricket goods suppliers in New Zealand and their support of our club in this generous sponsorship as well as in many other ways is truly outstanding. Subsequent to season end Russell Properties have confirmed that they will once again be the major and naming rights sponsor for the club but this will be the last season that they will do so. We thank Mike and team at Russell Properties for their support over a number of years now. Another challenge for the club administration to now find another sponsor.

- The number of females playing some form of cricket at our club ranging from the introductory Smash Play Academy programme for children in Years 0 and 1 at school who are 5 years old through to senior women players who range in age up to 30 years old increased to a total of 85 players which reportedly would make us the largest club in Wellington in terms of female players. This is a great effort and in many ways thanks to the efforts of our Women's and Girls Coordinator Michael McCully and his coterie of helpers who manage and coach the players-many thanks team. Our challenge is to now keep these ladies and girls in the game and continue to grow this base of players.

Running our club continues to pose major challenges in so many ways-people have less time to devote to volunteer activities; their enthusiasm and passion for their club is not as strong as what it was many years ago. People get old and tired after having done the same for many years now and that includes me. We need an injection of new blood to revitalise the club with new ideas and new ways of doing things to keep us relevant in these fast changing times. This is a challenge not only for the club but the game-to be relevant in 2023.

Nevertheless we are blessed with many people who contribute to the successful running of the club- from treasurer Wendy Welsh who also combines that task with numerous others that I thrust upon her; secretary Zac Ringrose, committee members Janakan Karunaharan, Connor Lusty, Michael McCully, Hemant Verma, Ravi Dharmawardene, Annissa Greenlees, Jo Holdaway, Matt McEwan and various other team representatives who attend committee meetings from time to time. Thank you for all of your contributions, they are very much appreciated.

Looking Forward

Matt McEwan advised during the season that due to work commitments he would be unavailable to continue in his role as coach of our top three X1's. This has given the club a chance to review where it is going with coaching and has made the decision to seek to employ a full time Director of Coaching and Development. We have identified a suitable applicant and are currently awaiting approval from Immigration NZ to offer the role to who we believe is an outstanding candidate. It is hoped that should everything go smoothly our new coach will be in place by 1 October 2023.

The candidate played 14 test matches for his country with a highest score of 120 and with a healthy average of 35.69. He was also a more than useful off spinner. He is currently the batting coach of his country's Men's A team and will shortly be off to England with his country's women's team where he will perform the role as batting coach. He will be contracted to the club for a minimum three year term and we expect to see outstanding results start to come through from his expertise. He will take charge of coaching all three of our top Men's teams as well as coaching our Premier Women's and Girls development teams. He will also be involved with the local colleges and be working with talented youngsters at the club. We hope to establish an Academy moving forward where we can keep track of and develop children who are moving through the secondary system because at the moment once they leave the club we effectively have little to do with them for 5 years-this way we can keep developing them and also building a base of players to return to play for the club.

This is a huge investment by the club and one we think that will reward us in the years to come. Further details will be advised when we have been able to lock our candidate in place.

For a number of years now we have been fortunate to have access, which we pay for, to an indoor training facility known as the Farnboro Centre located on the grounds of Onslow College. Sadly due to a number of factors the facility has been let go and vandalism and weather damage have restricted its ability to fulfil our needs. With the club now moving to employ a full time Director of Coaching we believe that the time is right for the club to begin investigations into establishing its own indoor all weather training facility on Alex Moore Park. What such a facility might cost and where it might be located are just pie in the sky thoughts at the moment, but to ensure our survival now and into the future we believe that both of these initiatives are the key to our continued success.

JUNIOR CLUB SECTION

The club experienced the largest growth in playing numbers for a number of years with the number of junior players increasing to in excess of 250 children. Sadly their season was one of extreme disappointment with many playing days lost to the vagaries of the weather. We hope that this disappointing run of weather was a one off and that this will not be replicated in the season to come.

We continue to be blessed with the support of our many parents who volunteer to coach, manage and score their children's games. We appreciate your support-thank you.

We also once again experienced excellent support from the local business community who sponsor our junior teams, thus keeping the cost of playing at an affordable level. Those sponsors are mentioned separately in this Annual Report and are too numerous to list here.

We are well versed with having a vibrant and hardworking committee who help run things from sorting teams; gear maintenance and replacement; coaching; prizegiving functions; Hawkes Bay coordination; team photos and a myriad of other tasks. The key to this is ensuring that we have a continuing pipeline of people coming through to replace those who drop off as their children move on to secondary schooling.

Junior Coaching

A recently published survey by NZ Cricket of respondents to a cricketing survey showed that an area of concern nationwide was expressed by about 3% of respondents as to the quality and level of coaching. Players and parents from our club (39 in total) also responded to this survey and our results were published alongside those from a nationwide point of view. The majority of the respondents from our club were in the junior category of player so one has to assume that the quality of coaching was a factor in these parents' responses which indicated that from our club 21% of respondents had some concerns around coaching. This is of interest to the club and was partly responsible for us making the decision to appoint a Coach Educator, Connor Lusty whose role it is to support and assist coaches of our junior teams. Connor has received excellent support from Christian Thurston from Cricket Wellington and his involvement with our teams has been widely supported as an additional resource by our band of coaches. This will continue to be a major focus into the seasons moving forward and Connor's involvement together with the appointment of our Director of Coaching can only help alleviate this situation. Our coaches are all police vetted; have completed modules covering the Welfare of Adults and Vulnerable Children and have all completed some form of theoretical and practical coaching courses to assist them develop their group of players. Again we remain ever thankful for the coaches we have as without their involvement the children would have no support to further grow their love of the game.

New Junior Playing Apparel

A highlight of the season was the equipping out of all players from school years 2-7 in a newly designed and logoed Johnsonville Cricket Club playing shirt. This playing shirt was enabled through the support of generous sponsorship from **Kilbirnie Sport** as well as a generous funding grant from **The Trust Charitable Foundation**. With close to 200 plus children being the recipient of these playing shirts and the plethora of errors that could arise from sizing issues the process worked remarkably smoothly with only a few players getting playing shirts that were ill fitting as the sizing was not identified correctly when ordered.

Hawkes Bay Cricket Camps

Once again the club sent teams to the annual Hawkes Bay Cricket Camps which for many years have been a highlight for players and parents alike, This past season we sent teams in the Year 5, 6, 7 and 8 grades with an additional Year 8 team travelling to the Hawkes Bay on Labour Weekend 2022 to participate in an early preseason tournament just for Year 8 teams.

Stewart Cater Cup

The annual Stu Cater Cup tournament was held over two weekends at the back end of the season at Ian Galloway Park and the victors on this occasion were a team from the Onslow club. Many thanks to Michael Joseph and Matt Conway for coaching and managing the team together and also to Sunil Surujpal for coordinating the organising of the event.

The club is extremely grateful to the people who put their hands up to administer cricket for junior players in our club-Darren Lynch, Brett Horne, Andy Francis, Ali Harty, Bex Simpson, Sunil Surujpal(until Xmas 2022), Gareth Morgan, Michael McCully, and Connor Lusty. We have recently been joined by Hiros Bhaskaran, Ananth Kumar, Supriya Bhatia and Lakjeewani Wimalasiri. Thanks

also to Treasurer Wendy Welsh for her efforts particularly at the pointy end of the season regarding registration.s

IN SUMMARY

That summarises another full season for all aspects of cricket in our community and the combined efforts of people to put cricket on for our community of players. We will never be able to satisfy all of the people all of the time but mark my words we try very hard to do so!

Team Reports

Premier Men

We kicked the season off with the T20 competition, where the results didn't go our way and we were unfortunately knocked out after the round robin stage.

Then came the one-day competition where the weather decided it would disrupt a large proportion of the season. The Team only managed to play 5 out of the 10 scheduled one day games.

The highlights of the competition largely came from one man, Gareth Severin. Gareth hit a mammoth 163 (139) in the team's first win of the season versus Upper Hutt, and he then followed up this master class with scores of 65 versus eventual competition winners Taita and 97* again against Upper Hutt. The team struggled to gain any momentum with the stop start nature of the competition, unfortunately only coming away with 2 wins but still managing to finish 3rd overall.

**Gareth Severin leading the team off Barton Oval
against Upper Hutt**

The Pearce Cup defence was made difficult following the performances in the one day competition, but we got off to the best possible start with another big innings and 136 run win over Upper Hutt, where Gareth Severin continued to haunt Upper Hutt with another 106 to his name. Max Petrie lead the bowling attack with 4 wickets in the first innings and followed that up to lead the team to victory with a hugely impressive 5 for 17 off 10 in the second innings.

We then had a couple of close fought matches with Karori and Taita where we unfortunately came off on the wrong side. We then managed to finish the season on a high against Easts with Johnsonville stalwart, Rakitha Weerasundara leading the team to a competitive first innings score but unfortunately falling agonisingly short of a century (95). Then the Johnsonville new comer Sean Wakelin took the team to a first innings lead with 5 wickets. In what is likely Raki's last innings for Johnsonville he took the team to a chance of an outright win as he scored a faultless 103*. The team pushed Easts right to the end but fell 1 wicket short of an outright win.

Overall it was a pretty disappointing season for the team, after winning the Pearce Cup the prior two seasons and with all the weather disruptions. Special mentions need to be made to Gareth Severin on a phenomenal season, which saw him earn a richly deserved Wellington Firebirds call-up which included a near match saving 196. Also to Rakitha Weerasundara who played his last season as he is heading to Australia to live. Raki has been with the club for 11 years (not including his junior years with the club). He has played over 170 matches, lead the club to two Pearce Cups wins, which included a mammoth 199* in the final, and to finish up with an unbeaten century seems to be the most fitting way to send off a club legend.

Zac Ringrose
Premier Men Co Captain

Premier Women

The 2022/23 season was a change for the premier women as we formed a combined team with Wellington Collegians. With both teams, we managed to field a strong team which led us to a final for the one-day Joy Lamason competition and a strong third in the T20 Maureen Peters competition.

Dhriti Girish, Annissa Greenlees, Abby Holdaway, Simone Lenora and Olivia McRae were our 5 players who regularly played in the combined 11. Our U19 representative Dhriti Girish was overall one of our stronger players picking up all 3 of the teams' awards at prize-giving, due to her impressive performances throughout the season including a 60* against Hutt Districts in the Maureen Peters T20 competition. We also had some appearances from our domestic players Jess McFadyen, Maneka Singh and Paige Loggenberg as well as White Fern Leigh Kasperk. We started the season off strongly with wins against North City & Upper Hutt with Jess Mcfadyen having an outstanding performance against Upper Hutt scoring a brilliant 94* off 51 balls including 9 4's and 7 6's leading us to a 10-wicket victory. As the One day competition progressed we unfortunately had half of our rounds rained out. Though this was interrupting our season we still managed to make our way to the final against Petone, where we earned a strong second place even though the game did not go our way.

In January we played our first match of the Maureen Peters T20 competition where we once again started off strong with a win 2-wicket win against North City. We continued to succeed with another win against Upper Hutt, winning by 7 wickets and a draw against Hutt Districts. Although we started the T20 competition well, we unfortunately just missed out on making the final by one point. Despite not winning either trophy our strong combined team were happy with our 2nd and 3rd place efforts in both competitions, with hopes we can progress further in the 23/24 season.

Captain Premier Women

Premier Reserves

Overall the weather was the winner in the Senior Reserve grade.

We opened our campaign at Sladden Park on a fine day with a great 8 wicket win over Petone Reserves. This weather was pretty much as good as it got prior to Christmas with 5 of our 8 games abandoned due to weather.

We had two really good performances against Hutt Districts and Upper Hutt, winning in the games when it went down to the wire.

We finished up at Christmas in 4th place overall, with 3 sides tied on points separated by run rate with only a few points separating the top 5 sides.

In the New Year again weather had a significant impact on the One Day competition. Completing the One Day round we were well placed to push for the title in the Timed Rounds.

In the timed rounds we were just not quite there in a number of games and were unable to make the final push when it counted.

Batting was our Achilles heel all season and we were probably 1-2 partnerships off the pace the whole season. We had some outstanding performances with Sean Wakelin scoring 103 and Janakan 80. Uday also batted consistently over the season patiently making good starts to allow others to bat around him. However in a number of games we were that 15-20 runs away from where we needed to be to allow our bowlers the freedom to really apply pressure.

Callan led the way with the pace attack, picking up the most wickets overall including a 5 wicket bag. Fletcher Rowley also picked up a 5 wicket bag against Easts. Most encouraging was watching young Sandeep Rana develop over the season and picking up some crucial wickets in some key games, especially 2 concurrent wickets against Petone to win us the game by 2 runs.

Fielding overall reflected the rustiness of a season that never really got going and we lacked a bit of a rhythm overall to put in consistent slick performances. We had some players for part of the season making a difference with Andrew Moir stepping up in a few games too.

Apart from playing Vic Uni, we played all teams in the grade and won against all except Wellington Collegians in at least one game highlighting what could have been in a number of the other games against the same opposition.

Overall the season was an even mark with lots of potential – noting the majority of the side were in their mid-20's or younger, the future is looking good if we can retain players and build their skills and confidence. We played 13 games out of 21, with 4 wins, 8 losses and a winning draw. This left us in 6th Place overall.

Niki Zivkovic
Captain

3rd XI

Starting the season with a full team, it was a confident start for the boys. But soon that became a dream with a few players injured, moving to Australia and moving up to the higher grade.

Playing our first game short of 2 players was a let-down but with the help of school boys filling in we had a full XI. Despite the fantastic knock of 80* from Brett Edgecombe we lost the game which was a disappointing start for the team. The following game was abandoned due to rain so we had to play the Eastern Suburbs 3rds the week after who are a tough team in our division to beat. And again, not able to have the full XI we had to go to Luke Woodcock to fill in who ended up scoring 103* and gave us a much-needed win and a boost to move further into the season.

Luke Woodcock appearing for the 3rd XI

Soon the weather started to play a major part of the season with 7 out of 21 weekends washed out due to rain. With challenges to fill the team with 11 players every weekend, the rain did help save us a few games. End of the one-day games we managed to stay 5th in the division.

Hoping for better weather we started off the two-day games with more games being abandoned due to rain. A few notable wins which included the game against Wellington Collegians XI with Alex Chafe scoring a flamboyant 85 and picking up 2 wickets. We finished the season with a memorable win against the Sikh XI, brilliant performances from Dominic McAlister (50) and Jeremy Welsh (81) scoring the much-needed runs

Notable performance for the season:

Yatesh – 164 runs bagged the best Batsman

Arun Boja and Callistus Don Silva – 14 wickets each bagged the best bowlers.

MVP – Alex Chafe, for his overall performance for the thirds that helped the team to finish 5th in the Overall Standing.

Finishing off the season in style with a big win against the Sikh XI

**Arun Boja
Captain**

Northern XI

It was a good season probably better than the last season as less Covid restrictions and a feel of better harmony and spirit. Every team we have played with has been amazing.

A great change - Alex Moore Club house. It is great to see the club in action there. I liked the award ceremony and how it was conducted having the senior member/ team manager to present the award to their players. I personally liked the turn out.

Also, we would like to thank the whole cricket association and the Johnsonville Cricket Club management for their continued support and the regular updates and management.

We look forward to the next season this year.

Rohit Kumar
Captain

Panthers

The 2022/23 season was a tough season for the Panthers. This season we welcomed a couple of new players due to the departure of a few existing players. We had many different players join over the season to fill the unavailability of existing players for some matches.

We started off well with one-day matches. We were able to win a few matches at the start of the season. However, due to the unavailability of most of the existing players, we lost a couple of matches continuously due to unavailability of few existing players. Overall, we enjoyed the one-day matches despite the few games being washed out due to bad weather conditions.

Two days of matches for the season did not go well as we played due to the unavailability of key existing players, various other commitments, and fitness issues. Despite not having existing key players we managed to find some players to fill the team and played all scheduled matches. In some matches, we played with a few team members. Despite the result, win or lose, we all enjoyed the game and identified our weaknesses.

We ended the season with a 10 overs friendly match against the Upper Hutt team and we were able to win that match.

Overall, it was a very tough season for the Panthers mainly in two-day competitions, but we are hopeful for a successful run in the next season.

Romesh Rodrigo
Captain

Blue Caps

The 2023 cricket season for our team has been a remarkable period of camaraderie, enjoyment, and engagement. This end-of-season report aims to provide an overview of our team's activities, key highlights, and areas of improvement. We would like to thank JCC and Cricket Wellington for their support and management through the season.

Key Highlights

While our team emphasizes the joy of playing cricket, the tournament matches held every weekend were filled with memorable achievements and highlights:

- Regular practice sessions were held to enhance our cricketing abilities, teamwork, and overall enjoyment of the game. These sessions focused on skill development and improvement.
- Our team participated in numerous friendly matches, providing opportunities for members to showcase their skills, learn from each other, and enjoy the sport in a relaxed setting. These matches were marked by friendly rivalries, laughter, and moments of cricketing brilliance.
- The dedication and enthusiasm shown by our players reflected their love for the game and their desire to contribute to the success of the team (finishing in top 5 in our first season as a team). We always had more than 11 players ready to play for every game.
- The players showcased their skills, teamwork, and determination, resulting in exciting matches, close finishes, and several memorable victories. Our team members upheld the values of sportsmanship, fair play, and respect for opponents throughout the tournament. They played the game in the right spirit, fostering a positive environment that was appreciated by other teams.
- Engaging in spirited matches together, sharing victories and defeats, and celebrating each other's achievements fostered a sense of unity and friendship within the team.
- In addition to cricket, we arranged social gatherings and team events, such as after match drinks and dinners, and end-of-season parties. These occasions allowed members to bond, connect, and create lasting friendships beyond the cricket field.

Areas of Improvement:

While we celebrate our achievements, it is crucial to identify areas where we can improve and grow as a team. The following areas require attention and concerted efforts in the upcoming seasons:

- **Fitness and Conditioning:** Enhancing the overall fitness levels of our players will contribute to improved performance, endurance, and injury prevention. The implementation of a structured fitness regimen will be a priority in the offseason.
- **Consistency in Performance:** Striving for consistency in our performances will be a key objective going forward. Analysing match data, identifying patterns, and refining our strategies will aid in minimizing fluctuations in form and ensuring a more stable performance throughout the season.
- Last but not least we plan to party even harder this time 🥳

By Krishna Vatsavai
Captain

Premier Girls Hardball

The club was delighted to field three Girls hardball teams aged between school years 7-11 for the 2022/23 season. All three teams had a good mix of returning players and new girls to the club or the game. The club kitted all three teams with the newly designed playing trousers, warm vests and blue batting pads. The teams certainly looked the part. Connor Lusty was engaged to coach all three teams providing a weekly team training. Specialist wicket keeping, throwing and batting sessions were incorporated over the season.

The season comprised three different formats – Pairs, T20 and T30's. All three teams were very competitive in all game formats, and it was great to see the girls continuing to grow throughout the season.

A combined girls hardball team attended the Hawkes Bay tournament for the second year running in January. Once again, the girls had a lot of fun and it was great for their development. Thanks to Matt Conway for managing the team during the tournament.

Cara McCully, Hannah Leckie and Lily Tankersley participated in Cricket Wellington's 2022 Young Leaders programme. JCC was once again well represented in Cricket Wellington's female age level pathway programmes.

JCC Girls Hardball – Ruru

Like the other hardball teams, the Ruru team had a great mix of players, most returning players but some new to the club or with limited hardball experience. The first half of the season was heavily impacted by cancelations due to weather which really disrupted momentum. Despite that the team developed into a very capable team of all-rounders, all of whom displayed their skills throughout the season.

The girls game day knowledge and skill sets improved substantially over the season. They were a strong fielding team supporting each other and displaying great teamwork. This was franked by the high number of catches the team took over the season and tidy keeping from our 2 fine wicketkeepers. Batting really started to develop as the season went on with plenty of great knocks.

The first few rounds of pairs was effectively washed out. The team was unbeaten in the T20 games they played. The girls were very competitive in the T30 format finishing 5th overall.

The team had a great bunch of parents who supported the team enthusiastically and helped out on game day.

The recipients of the Ruru team awards based on PlayHQ stats were:

Batting MVP	-	Cara McCully
Bowling MVP	-	Cara McCully
Team MVP	-	Cara McCully

Michael McCully
Coach

JCC Girls Hardball – Kereru

The Kereru team also had a great mix of players and started the season strongly finishing 3rd at the conclusion of the T20 rounds which was a fantastic result. The subsequent loss of the game day manager and a couple of players at the Xmas break, followed by injuries and further absences, wasn't ideal. This left the team a little short for the second half of the season. With playing as much cricket as possible in mind the team carried on shuffling the wider squad to bolster the team and brought in additional players when required.

This enthusiastic group of girls did a great job preserving and it was great to see them involved in a number of thrilling wins. The Kereru players enjoyed their cricket, and demonstrated some great cricketing skills along the way and showed great promise.

Thanks to Ganesh, Muhammad and Suhel for managing the team on game day and to the parents for all their assistance and support.

The recipients of the Kereru team awards based on PlayHQ stats were:

Batting MVP	-	Hannah Leckie
Bowling MVP	-	Aesha Sukhu
Team MVP	-	Hannah Leckie and Aesha Sukhu

Michael McCully
Girls Hardball coordinator

JCC Girls Hardball – Tuis

The Tuis cricket team did well this season. They played many matches and faced different challenges. Overall, the team showed a lot of determination and enthusiasm, showing how much they love the game.

In the season the team played

- 6 T20 matches. They won 3 matches and lost 3 matches, which means they had a 50% win-loss ratio.
- 5 ODI matches. They won 4 matches and lost 1 match. This was a great comeback for the team after having mixed results in the T20 matches

Overall, in the Wellington region, the Tuis came 2nd in the girls' hardball grade.

Every Tui player showed great improvement in their skills and team spirit. We had several Tuis who represented the Wellington region in age group selection:

- Senali Vasanthathilake - U13
- Grace Maciver - U13
- Emma McKenzie - U13
- Anvi Verma - U13, U15

Anvi Verma had an outstanding season, winning the Most Valuable Player (MVP) award in the Johnsonville girl hardball grade. She also took the highest number of wickets in the grade (12 wickets, with an economy rate of 3.9) and scored the most runs (410 runs) with an average of 410 and a strike rate of over 140.

Even though the team did well, there are areas where they can improve. These include:

- Working on their batting and bowling techniques, like finding the right gaps and making good calls.
- Improving their fielding skills.
- Developing better strategies and game plans.
- Building their fitness and endurance

The team showed great teamwork and spirit throughout the season. Co-captains Lily Tankersley and Anvi Verma provided good support and took on their on-field responsibilities well. Coach Connor Lusty played an important role in motivating the players and creating a positive environment for their growth and development. We would also like to thank Michael McCully for taking care of the wider squad. Thank you both for your hard work.

Well played, Tuis! It was a lot of fun playing with all of you. Take care, and hopefully, we'll see each other on the field soon.

Hemant Verma
Coach

Audited Accounts for 2022-2023 Season

JOHNSONVILLE CRICKET CLUB INCORPORATED

FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

CONTENTS	PAGES
Audit Report	1
Statement of Financial Performance	2
Statement of Financial Position	3
Notes to the Financial Statements	4

**TO THE READERS OF THE JOHNSONVILLE
CRICKET CLUB INCORPORATED ANNUAL REPORT
FOR THE YEAR ENDED 30 APRIL 2023**

I have audited the attached financial statements of the Johnsonville Cricket Club Incorporated (the Club) on pages 1 to 3, that comprise the statement of financial performance, statement of financial position and the notes to the financial statements that include accounting policies. The financial statements provide information about the past financial performance of the Club and its financial position as at 30 April 2023.

Responsibilities of the Executive

The Executive is responsible for the preparation of financial statements that present fairly the financial position of the Club as at 30 April 2023 and of the results of operations for the year ended 30 April 2023, and that comply with generally accepted accounting practice in New Zealand.

Auditor's Responsibilities

The Constitution of the Club requires the Auditor to audit the financial statements presented by the Executive. My objectives are to obtain reasonable assurance about whether the information I audited, as a whole, is free from material misstatement, whether due to fraud or error, and to issue an auditor's opinion.

Basis of Opinion

I carried out the audit in accordance with generally accepted auditing standards which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand).

I have fulfilled my responsibilities in accordance with the Standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Independence

I am independent of the Club in accordance with the independence requirements of the Standards which incorporate the independence requirements of Professional and Ethical Standards.

Other than in my capacity as auditor I have no relationship with or interests in the Club.

Unqualified Opinion

I have obtained all the information and explanations I have required.

In my opinion, the financial statements of the Club present fairly, in all material respects the financial position as at 30 April 2023, and the results of its operations for the year ended 30 April 2023, and comply with generally accepted accounting practice in New Zealand.

My audit was completed on 14 June 2023, and my unqualified opinion is expressed as at that date.

A handwritten signature in blue ink, appearing to read 'Jagdish Kalyan'.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 APRIL 2023

1 REPORTING ENTITY

These financial statements have been prepared for JOHNSONVILLE CRICKET CLUB INCORPORATED which is an incorporated society registered under the Incorporated Societies Act 1908.

2 STATEMENT OF ACCOUNTING POLICIES

Measurement base

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position of the Club on a historical cost basis are followed by the Club. Accrual accounting is used to recognise expenses and revenues when they occur.

Specific accounting policies

The following specific accounting policies which materially effect the measurement of the financial performance and financial position have been applied.

Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation to date.

Depreciation

Depreciation has been calculated with reference to the estimated useful life of each asset.

Goods and services tax

The Club is registered for GST, the financial statements have been prepared on a GST exclusive basis.

GST due or recoverable at balance date is included in either current liabilities or current assets.

Differential reporting

The entity qualifies for differential reporting as it is not publicly accountable and it meets the size criteria. The Club has taken full advantage of all available differential reporting exemptions.

Team Statistics and Club Records

Statistics and records compiled by our scorer Cheryl Styles.
