

ELISABETH AND ELIJAH HUTTON-NEILL CHALLENGE EACH OTHER AT TABLE TENNIS

## Coaching Sessions

For members wishing to improve their bowls coaching is available on Monday nights at 5pm. Next session is on 28<sup>th</sup> January. Doug Thomas takes these sessions and demand will depend on how long they continue for.

The first night was received very positively by those attending. Unfortunately the 21<sup>st</sup> January has been cancelled as many of the attendees have other commitments.

## Twilight Bowls

This starts up again on 29<sup>th</sup> January so why not enter another team of four. Two games of six ends are played and it will go through to 26<sup>th</sup> March.

We normally have a \$2 sausage sizzle or something similar running. The bar is open also.

## Subs

We believe our subs are as good a deal as any club in the world. Big call!

\$20 Membership and then add on any other activities you are involved in as follows:

\$80 Interclub and/or club Champion of Champion playoffs.

\$40 Twilight Bowls (or \$5 a night)

\$20 Gardening

\$20 Brewing Club (contact Jason Jewiss).

Please pay into the club's bank account which is:

## Table Tennis

For those of you needing a warm up before a game a table tennis table has been installed. It folds up so when events are on it takes up little space.

It also means when the club is hired for social bowls events we have four indoor activities – pool, darts, indoor bowls and table tennis that

can be used as an alternative if the weather is not kind and can involve 12 people at a time.

For those living locally with a key then a perfect place on a wet Sunday morning to show your children you can still beat them at something.

## Reserves for Interclub

This half of the season looks a little tight for players as two have shifted out of town, two are overseas and one is unavailable following an operation.

Geoff Simons is keen to hear from you if you can play the odd Saturday morning or afternoon as a fill in player.

## Community Night

After two successful Community nights at the end of 2018 two more are planned this season.

These will take place on 25<sup>th</sup> January and 15<sup>th</sup> March at 6pm. A good night for all Members and Honorary Members to get together, play some bowls and have a catch up.

*There are not many sports where a nine year old like Elijah Hutton Neill can play against 86 year old Jack Kotkemp (NEV).*

## Interclub 2019

Again thanks to the efforts of all involved we fielded teams in interclub so far this season. It is reality we all cannot be there every interclub day so thanks to those that helped by playing more than they may have intended to and especially to those that filled in.

Note the number of bowls used and the number of ends being played. If the opposition insist on playing something different stand your ground.

*Three wins out of three for the men's morning team last Saturday. To the left Trevor Dobson and Russell Baikie playing in the triples, with Doug Marshall bowling in one of the pairs games.*

## Roslyn 500

Women from the section two grade and from clubs that do not field a full women's team will be invited to play in the Roslyn 500, on Monday, 25<sup>th</sup> March (Otago Anniversary Day).

Entry is \$10 for a full days play with the men undertaking the catering. A number of short games are played. The entries are from individuals as the participants on arrival are then in mixed up fours teams.

It is called the Roslyn 500 because the intention each year is to give out \$500 worth of prizes.

*Testing their table tennis skills are Sophie Calteaux, Jen Hutton-Neill, Cathy Charles and Laurie Edwards who is serving*
