

Alcohol Policy

Speedway New Zealand have a **zero tolerance** policy on alcohol for competitors, officials and crew.

SNZ Stewards hold an Alcovisor device for the testing of any competitor, officials and crew at SNZ licensed venues.

The relevant rules have been amended by the SNZ Board under C11(k) in order for this to be adopted.

M6-12-4 Any competitor, official or crew can be subject to the appropriate tests, which will be made under the supervision of the Steward.

~~M6-12-5 Offenders will be removed from the Stadium grounds and track complex, and will be reported to the SNZ Office within 48 hours.~~

M6-12-5 Any person tested producing a not negative result will be removed from the competitor area.

M6-12-6 Refusal to submit to an alcohol or drug test at any time will be deemed to be a positive test not negative result.

~~M6-12-7 In the event of a positive alcohol or drug test a competitor will be stood down until a Hearing before the Board.~~

In the event of an Initial Not Negative (Positive) Reading

The competitor, official or crew member must wait 20mins before they take a secondary test. The person must not leave the Stewards room. Failing to follow this instruction deems a not negative (positive) result.

Not Negative (Positive) Reading on Secondary Test

The following penalties apply for any competitor with a not negative (positive) result:

An infringement notice issued - Stood down for the night, and a fine of \$200

Note: Any other persons (Crew, Officials etc.) will be penalised as per rule M6-12-5 and reported to SNZ.
