

Sport NZ Community Resilience Fund Phase 2

Factsheet

Sport NZ's vision is simple – to get Every Body Active in Aotearoa New Zealand.

As Aotearoa re-sets and re-builds post Covid-19, we know that many play, active recreation and sport organisations are going through a difficult time. Sport NZ has developed a recovery package to help support active play, active recreation and sport organisations get back on their feet following the Covid-19 lockdown.

The Sport NZ Community Resilience Fund Phase 2 forms part of this recovery package.

Community Resilience Fund Phase 2

The Community Resilience Fund aims to provide financial support to play, active recreation and sport organisations who are experiencing financial hardship in the period 1 July to 30 September 2020, as a result of Covid-19. It is to help ensure that those organisations are able to continue delivering quality physical activity experiences to get Every Body Active in Aotearoa New Zealand.

We welcome applications from organisations that have not previously received funding from Sport NZ, and those that may have received some support already through Community Resilience Fund in May/June 2020. Applicants for the earlier Community Resilience Fund had to be affiliated to Sport NZ national partners, but this is not a requirement for Community Resilience Fund Phase 2.

The fund is not intended for organisations that already receive investment directly from Sport NZ.

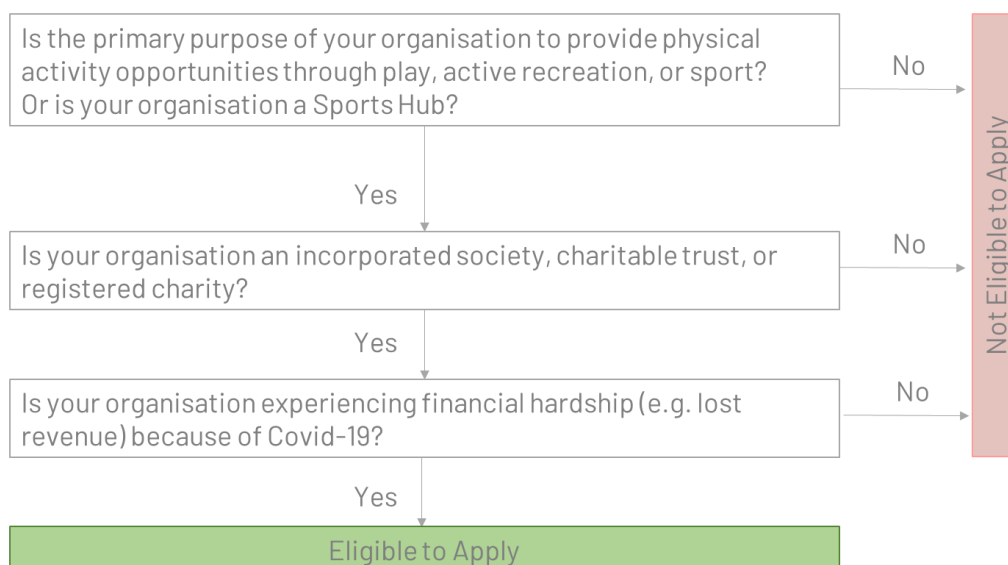

One key change to the previous Community Resilience Fund will be the ability to claim assistance for a broader range of costs including operational costs that are critical to delivering activities and programmes to support the reactivation of active recreation and sport now that New Zealand has moved to Alert Level 1.

Not all clubs and organisations have fixed costs (such as clubrooms, phone bills etc), and assistance for operational funding will mean more community organisations will be eligible for support, and importantly, will be better placed to ensure our communities access to active recreation and sporting opportunities are reinstated/maintained.

This fund provides additional financial help on top of other relief such as the Government Wage Subsidy, other sources of funding, and support from national bodies.

Who can apply

The fund is open to a wide range of organisations. Please use the diagram below to test your eligibility.

How to apply

Regional Sports Trusts will be taking applications for the fund from 3 August 2020.

More information will be posted on the Regional Sports Trust websites regarding the application process. You may only apply to the Regional Sport Trust for the region that covers your organisation's registered address. For example if your region is the top half of the North Island and your registered address is Whangarei, you would apply to Sport Northland.
