

# ST ORAN'S WEEKLY

Friday 21 March

Kia ora e te whānau

We have a lot to celebrate and acknowledge this week. First and foremost, we want to applaud Rebecca Bailey's outstanding achievement at the College Sport Regional Athletics Champs where she broke the senior girls javelin record with a throw of 44.08m! St Oran's is now officially in the record books!

Our annual coin trail was another special highlight of the week with the school collecting over \$2,000.00 in coins and whānau groups creating some beautiful designs, based on the theme "5 Beats 1 Heart". It is at moments like this that our unique school spirit is truly undeniable. Thank you to those of you who helped to hunt out coins!

This evening our Academic Captains are hosting a Yeah Night Quiz night here in the school hall, with all proceeds also going to our Relay for Life \$25,000 fundraising goal. Our thanks to the sponsors who have generously supported this evening and to those of you who are able to join us. The staff teams are ready to dominate!

It has also been a busy week in the classroom and out in the field. Year 12 Geography spent three days up at Tongariro with the support of Ms Andrews, Ms Patston and Mr Wiggins. Whilst the weather prevented doing the crossing itself, the trip was nevertheless successful and rewarding, with lots of good data collected. Year 13 Economics also took learning outside the classroom with a trip to McDonalds Upper Hutt to discuss the workings of the business. With just three weeks left of term, classes are busier than ever.

On behalf of us all, ka kite ano – Cindy.

Student Council Representatives (& sisters!) collecting at New World.

Birthday Wishes this week to:

- Brooke R
- Milla C
- Lanaya K
- Ella B
- Renee R
- Chelsea G
- Aradhya G

House Performing Arts is almost ready!

"Thank you St Oran's College for your generous donation of educational books that are being distributed to many island schools."  
From Rotary
