Please Note:

1. Umpiring duties will also be notated in the weekly draws.
2. Junior League home games are to be umpired by the host club
3. Please check the weekly draw to ensure there is a game on your diamond. It pays to check again on Friday on defaults or deferments have been reported through the office.
4. Dynasty Ballpark – on occasion, we may transfer duties from your regular diamond to a different venue. This will be noted clearly in the draw. Please don't assume you don't have a duty if games have been shifted from HQ.
5. Hagley Park duties – please check that the game scheduled for your diamond is a Division Two game. Umpires are not assigned to under 11 games, but from time to time under 11 games may be allocated to your diamond (which won't be a duty)
