INTRODUCTION

This booklet is intended to provide members with sufficient information to enable them to partake fully in the club's activities if they so wish. Notice of events and activities are also posted from time to time in the clubhouse and on the club website. Members should check both regularly. Online tee booking is available for Saturday club days.

Those members who wish to play in any particular section of the club, ie., men's, ladies or veteran's, and have any queries should contact the captain of that section who will only be too pleased to help.

The clubhouse bar and catering facilities are open on competition days and on the afternoons of Thursday through to Sunday. A number of members use the clubhouse as a social gathering place on late Thursday and Friday afternoons. Members are reminded that this facility is available.
