## --- A - LEAGUE NOTES ---

### ROUND ONE - 2nd May 2019

SURPRISE!! I am still here even though the hospital system doesn't think I exist, As when I got to book in at 7am I was not on the op list. When booking officer was contacted they vowed and declared that they had rung me 12 days earlier to say that it had been changed. (NOT) finally sorted for the end of may

Anyway the good thing is all results can now go out on time.

In the A League Division One it was a good start for three teams as they are in Double figures already

A good start for Chris Harrison with a 200.17, and Ray McCaw with a 200.11

Junior competitors are also starting well. Lochie McNair a 100.05, Jess Burgess-Smith a 100.01, and Angus Auty with a 100.05

Some close scoring between some teams and others not so close, this is just a start so everyone should be able to improve as we carry on with the season.

The A League Division Two also starting with close scores.

No 200's but a few 100's showing. One Junior with 100.07 was Sam Kershaw

Top two teams also starting with Double Figure Scores

Can all Co-ordinators please use the new template that I supplied to everyone

Also remember to sort results from Largest to Smallest in each section

Well done everybody for the start of the season looking forward to the rest of the season

Doug
