Move along

Move along... nothing to see here...

If you're looking for Globe.Net you may be a little confused at the moment, but there is nothing wrong and your personal details are just fine. So breathe out and keep reading.

## What's going on?

Globe has been partnering with Actrix for a while now, and has now been fully taken into the fold to become a part of Actrix. So you can now get the full range of Actrix services and the benefits of being with an ISP that is well known for it's excellent customer service.

## What do you have to do?

In a word, nothing. You don't need to change anything on your computer, and you can still log-in to your webmail and Members section from this page.

## What's an Actrix?

The first commercial Internet provider in New Zealand, others have come and gone since we started in 1989. We service the whole country from our Wellington base, and consistently high rankings in the Consumer ISP Survey reflect our commitment to customer service.

## How do you get in touch with Actrix?
