

## **New Court Rates For 2023**

Dear valued customers, Badminton Waitakere has recently reviewed our pricing to our valued members. We have absorbed cost increases to our sports facility where we can, to minimize passing these on to you.

We want you to know we really appreciate your support. The cost of living, fuel and inflation has impacted not just on business but everyone as a whole.

We are certain that your life is being impacted by these too. We want you to know that we care about the impact this may have on you.

Therefore, we have kept the price increase to our valued customers to be \$20.00 per court, per hour, to keep our Hall sustainable.

The new pricing charges will start from 1 January 2023.
