Vision: Inspiring lifelong participation and excellence in the sport of netball

Mission: Positively impact our community by providing excellent delivery, development and enjoyment of netball

We strive at all times to operate and act in accordance with the following values:

Courage – We are:

Prepared to Lead, Innovative, Open to Change, Prepared to Take Calculated Risks

Committed – We are:

Communicative, Collaborative, Inclusive, Professional

Passionate – About:

Our Netball, Our People and Community

Respectful – We:

Act with Integrity and Embrace Diversity

OUR SPORT

Competitions, Participation, Players, High Performance, Equipment

Provide pathways to enable individuals to enjoy and succeed in netball

- Provide a range of different opportunities for participants at all levels (accessible to all)
- Provide more opportunities for more people to play the sport all year round
- Establish clear sustainable development pathways for players from junior to high performance level
- Ensure a holistic approach to participation in netball
- Ensure delivery of the sport is of the highest standard and consultative with stakeholders where appropriate
- Ensure all teams representing the centre have appropriate training and playing resources
- Identify new communities that provide opportunities for netball to grow
- Identify existing communities where there are opportunities for netball to grow

OUR COMMUNITY

Clubs, Schools, Businesses, Sporting Organisations, Local Boards, Local Government

A quality centre with effective clubs, schools and community links that embraces the diversity of our members

- Assist clubs and schools to build closer links and support mechanisms with each other
- Build closer links and support mechanisms for clubs and schools with the centre
- Identify opportunities for collaborative projects with other groups or businesses in the community
- Initiate links and mutually beneficial relationships with local community groups
- Maintain active links with and provide input into Local Board and Local Government
- Maintain active links with and provide input into other sporting organisations and sport sector engagement opportunities

OUR PEOPLE

Umpires, Coaches, Volunteers, and Staff

Attract and retain the staff and volunteer base that are the cornerstone for the effective and sustainable delivery of netball

- Establish clear development pathways for umpires
- Establish clear development pathways for coaches and managers
- Support and recognise our volunteer base
- Establish staff development and support plans
- Establish best practice HR management and review systems
- Support clubs to increase their capability
- Promote positive side-line behaviour

OUR FACILITIES

Netball Centre, Indoor/Outdoor Courts, Function Facilities, Satellite Centres

Desirable multi-purpose facilities that are well-maintained, sustainable and fully-optimised

- Provide more opportunities all year round for use of the facility by the internal and external community
- Ensure our facilities remain at a high standard
- Identify opportunities for future development of our facilities
- Identify opportunities for the development of satellite centres

OUR ORGANISATION

Board, Finance and Sponsorship, Communication, Marketing and Policies

A strong, sustainable, well-led organisation that provides positive netball experiences

- Ensure an effective governance structure exists with a skilled board in place
- Ensure best practice policies and procedures in place for the organisation
- Ensure an effective management team is in place
- Ensure annual business plans align with strategic plan
- Maintain a sustainable financial position
- Identify and grow alternative sources of revenue
- Ensure strong brand awareness
- Ensure effective communications both internally and externally

CHAIR REPORT

I am pleased to pen my first report as the Chairperson of Netball Waitakere Board, and to present with management, the Netball Waitakere 2019 Annual Report which reflects what we, as an organisation, have all achieved together over the 2018-2019 year.

Firstly, and on behalf of the Netball Waitakere Board, I would like to pass on our most sincere thanks to the Netball Waitakere management, staff, life-members, volunteers and of course our netball membership. It has been a very busy year. Everyone who was involved has contributed to making our Centre as successful as it has been this year. Thank you for your unwavering commitment and enthusiasm, in striving to meet our vision of “inspiring lifelong participation and excellence in the sport of netball” and our mission to “positively impact our community by providing excellent delivery, development and enjoyment of netball”.

*Ehara taku toa i te toa takitahi,
engari kē he toa takitini*

*Success should not be bestowed onto one alone,
it was not individual success but the success and strength of a collective*

OUR PEOPLE – OUR COMMUNITY

We were saddened with the loss of Life Members Geoff Bendall and Dot White. Both Geoff and Dot were valuable in our sport of Netball and real stalwarts within our own netball community. Their Life Membership with Netball Waitakere is a testament to a life spent for the betterment of others, where their legacies will remain as an inspiration for us to follow.

In June, we farewelled Karyne Ross as a General Manager of Netball Waitakere. We thank Karyne for all her time and efforts spent with Netball Waitakere, both during her time as an employee and a former governor over a span of 5 years, and continue to wish her well in her new endeavours with the Zone. After the departure of Karyne and the attempts of trying to appoint to the vacant GM role, the Board acted and implemented an interim structural reconfiguration with both the existing management and the introduction of a commercial manager role, to collectively lead and manage the operations of Netball Waitakere until a more permanent solution is put into effect in 2020.

In September 2019 we also said goodbye to Jacqui Barclay who completed her very successful post as the Competitions and Umpires Administrator. Jacqui was pivotal in Netball Waitakere’s successful hosting of the Netball NZ U17 Champs, the NW 2019 Representative Tournament and many other successful activities throughout our 2019 campaign. We wish Jacqui all the very best for the future.

We are indebted to our amazing group of sponsors, funders and partners, as highlighted earlier in this Annual Report, for their on-going support, which has allowed us to continue providing existing programmes and the development of new initiatives to grow Netball participation. Such support builds the foundation that underpins the success of Netball within our community, from grass roots through to high performance, within our rohe of Waitakere. We look forward to continuing to grow and foster these relationships in 2020

OUR ORGANISATION - OUR FACILITIES

At the 2019 Netball Waitakere Annual General Meeting, both Lynn Pellow and Bruce Ritchie retired from the Board after 5 years in the governance role. Both Lyn and Bruce played an integral part in the growth of Netball Waitakere to-date. Tuaupu McCarthy, with strong business experience and community linkages, joined the Board in March accompanied by Jenny Yearsley, as our elected President. In May, Robyn McMillan stepped down as Board Chairperson but continues to dedicate her time as a valued member of the Netball Waitakere Board.

The landscape that we continue to operate within, not only in the sport of netball but also as a charitable community enterprise, is dynamic and challenging which is reflective in the fluid employee turnover and the planned position as reflected within our annual financial performance for this period. A review and refinement of our programmes, policies, resourcing and Strategic Plan is underway, with consultation and engagement on the Strategic Plan to occur with our wider community in 2020.

Special thanks to Western Districts Community Trust for their grant confirmed this year that will allow for the much-awaited work to commence in 2020 within our indoor court facilities.

OUR SPORT

Netball Waitakere is leading the way with another successful year, with its commitment to growing talent, supporting our players, developing our coaches, umpires, officials and volunteers. Congratulations to our Netball Waitakere representative teams for a very successful netball season which saw significant achievements in their respective national tournaments. Congratulations also to all our players, coaches, umpires, managers and bench officials who were recognised in tournament selections and for their efforts at higher levels during the year.

Netball is no longer just a winter sport. This is reflected in all the programmes and competitions that we have implemented here at Netball Waitakere that run before, during and after the traditional winter netball season to support and develop players, coaches, umpires, managers and bench officials; or to just have fun playing with friends and whānau during our very popular summer-league competitions. The holiday programmes promote and build netball skills in a fun and engaging manner and are well subscribed with many young people returning each holiday period. These programmes and competitions are all managed and co-ordinated by our wonderful staff and volunteers, and I again would like to take this opportunity to give thanks to all our management, staff, volunteers and supporters who have assisted throughout the year.

ACKNOWLEDGEMENTS

Finally, to my fellow board members, thank you for your hard work this year and a special thank you to Toops McCarthy and Angela Masiutama, as our Board Liaisons, for ensuring that the Board provided effective governance not only over the day to day operations but also in the growth of our business.

Thank you all again for the privilege of allowing me to be the Chair of Netball Waitakere. I look forward to working with you all during the year ahead, to us achieving great things and taking grasp of all opportunities to further 'Netball – Game for Life'.

Tammy Dehar
Chairperson

NETBALL MANAGER REPORT

OUR SPORT

Our Competitions saw an increase of 19 teams across the Winter League, making 520 registered teams, in comparison with the previous year of 502 Teams registered. The biggest increase was in the Year 8 space by 10 teams, and Premiers/Senior grades.

Winning the U17 & U15 national age groups were definite highlights. A big part of this success was a 50% reduction in injuries to our representative players. This came about through the collaborative efforts of clubs, schools, parents working together around getting players stronger and fitter, and most importantly, the growing awareness in our community around Player Welfare.

Many of our resources were focussed on recruiting and retaining our umpires. This year we saw a Project Team of advisers, namely, Amanda Mitchell, Maru Delamare, Katrina Tahitahi, and Tania McCarthy work together with our Umpires Convenor Eleanor Simmonds and her committees to rectify concerns from the membership. As one of the main concerns was umpiring development and communication, the introduction of the Game Management workshops during a lunchtime on Saturday was both innovative and successful. Thanks to the 'Senior' umpires, these talks/discussions proved to be very valuable and were well attended by all levels of umpires. Other forums included Side-line behaviour, Netball Rules, Coach-Umpire communication, and general concerns. This proved to be a huge success as it not only allowed an informed break for our umpires, but interaction between other umpires and our New Zealand Umpires.

This year, we completed our in-school deliveries to West Harbour and Birdwood School. We had been

working in collaboration with Netball Northern to develop and deliver a KiwiSport funded project aimed to support schools and communities across the Auckland region, enhancing Netball's connection with young people, provide more opportunities for participation and access to netball; and development of fundamental skills. The funding supported the delivery of taster sessions utilising the national junior netball programme known as **Mother Earth FutureFERNs**.

This project aimed to:

- Provide quality netball experiences which will lead to a lifelong participation in sport.
- Increase the number of volunteers trained as coaches and managers.
- Extend netball's community reach.
- Expose the wider community to the Mother Earth futureFERNs junior netball programme and its benefits.
- Get more children active.
- Develop fundamental movement skills and build physical literacy.

The schools which participated in the project were, West Harbour, Royal Heights, Colwill School, Massey Primary, Lincoln Heights, Don Buck, Prospect Primary and Birdwood School.

Mother Earth Future Ferns programme saw 4 Primary schools, West Harbour, Blockhouse Bay Primary, Birdwood School, and Rosebank Primary involved in a 4-week Active funded programme enabling all students year 1 to 8 experiencing the junior netball programmes.

Cluster days (schools surrounding a certain region) saw the Northwest and Whau area tournaments held and organised by Netball Waitakere. Both tournaments were a huge success and saw up to 60 teams at each tournament.

Walking Netball continues to thrive on a Monday evening, with many of the teams returning for the winter and summer league seasons. Our next step for 2020 would be to create a competition during day, as another option to our 'keeping fit' community.

Te Puni Kokiri was another success this year, as we saw an increase of teams registered from 52 in 2018 to 69 in 2019. This unique tournament uses Netball as a vehicle to normalising Te Reo outside the classroom and off the Marae. Netball Waitakere and our Community are very proud to host this tournament and support our neighbouring Te Kura Kaupapa Māori and tamariki but also enhances and builds capability within our NW staff, Board, and community.

This year saw us selected by Netball New Zealand to host the U17 National Netball tournament. Our Netball Waitakere Community reminded New Zealand Netball Centres that retaining and recruiting volunteers is an easy task when you have such a committed group of people who are passionate about our game and Centre. Not only were we reminded of the pride of our players, members and community towards our Centre, but we finally won our first National Title, after five long years of planning and preparation.

WELL DONE TO EVERYONE INVOLVED!

OUR COMMUNITY

Enabling our community and schools increase their capability in the coaching and umpiring area was a key priority this year.

This year saw our Development team enter secondary schools running both the Community Coach Award and the Introduction to Umpiring qualifications.

17 students from our surround secondary schools and colleges entered a Leadership programme run in partnership with the Zone. Many of these participants volunteered as coaches, umpires and the National Under 17 tournament.

As our relationship strengthens with Sport Waitakere, we saw our Club Presidents being invited to the Centre for the first time in 5 years to discuss many aspects of building the clubs capability. We look forward to holding up to 8 seminars with Sport Waitakere in 2020 for our clubs and volunteers

OUR PEOPLE

We were very saddened by the passing of 2 of our loving Life members Geoff Bendall and Dot White.

Geoff Bendall, who passed away on Tuesday 14th May. Geoff was a Life Member of Netball Waitakere, holder of a Netball New Zealand Service Award and President of Hustlers Netball Club. He has given so much to our sport and our centre, from executive committee, to Board Member, coach, umpire, club president and roles within the wider netball fraternity – a real stalwart within our netball community. Geoff began his involvement with netball back in the 70's with the then

Waitemata Netball Club and served on the Executive Committee of the then named Henderson Waitemata Netball Association. He continued his service to Netball Waitakere and Hustlers Netball Club and was instrumental in roles on Regional Entity Restructuring Committee and Queen City Netball Franchise Establishment Committee. Geoff was a volunteer always willing to lend a hand, promote our game and our centre, and his legacy will remain as an inspiration for us to follow.

Dot White, passed away on Tuesday 21st May. Dot was a Life Member of Netball Waitakere, and Hustlers Netball Club. Dot gave so much to our sport over the years and was the driving force alongside Betty Wells in establishing netball on the site we now know as Netball Waitakere.

Dot was the founding member of Hobsonville Hustlers Netball Club – now Hustlers and was the main organiser of their 25th Jubilee. Like all dedicated netties she also coached and umpired. Dot, with Betty, lobbied Council endlessly to obtain land for the first set of courts at Te Pai Place, and were instrumental in conceiving, fundraising and project managing the first pavilion on our site. Her time on the Executive Committee was extensive and she held the role of President from 1980-1982. Henderson Waitemata Netball was originally a sub-association, such was the structure of Netball in those days. Dot was the driving force in advocating for direct affiliation to Netball NZ creating the foundation for what we now enjoy as Netball Waitakere. Dot was a dedicated and passionate volunteer always advocating for netball in West Auckland and a Life Member to whom our Centre will be forever indebted.

Both of these dearly loved and devoted Life Members will be sadly missed.

VOLUNTEERS

The success of this organisation is not only measured by the staff in achieving targets set in our Annual Plan, but of equal importance the time and dedication of our Volunteers. Many who are our members, and already have commitments towards their own club or school, still manage to save some of their passion towards volunteering for Netball Waitakere. Thank you to Eleanor Simmonds - our Umpire Convenor, Lorna Manu- our

Games Convenor, and Danika Hape- our Representative Convenor, and their respective committees. Without your direction and passion, many achievements this year would not have been possible.

We thanked and recognised our volunteers in our annual celebration in September. The Tom Hyndman Award, presented to the volunteer voted by our membership, and known as the People Choice, was awarded to Georgina Masiutama. The Netball Waitakere Volunteer of the Year Award recognised Maree Castle and her services to representative teams as a manager, selector administrator, and our games committee. I would like to thank Sheryl Hyndman, and her grand-daughter Courtney Walker for attending our evening and presenting our most prestigious awards.

Netball Waitakere was well represented at the Sport Waitakere Excellence Awards with many of our members, attending the evening as finalists.

Finalists included:

- Jessica McCarthy – Winner - Youth Leadership Award
- Netball Waitakere U17 Team – Winners - Team of the Year
- Grace Nweke- Winners - Secondary School Player of the Year
- Avondale College- Winners - Secondary School Team of the Year
- Eleanor Simmonds – Sporting Acknowledgement Award
- Vipers Netball Club – Finalist for Club of the Year
- Jacqui Barclay – Finalist for Administrator of the Year

STAFF

This year saw the resignation of our General Manager, Karyne Ross, in May this year, after two and half years of service to Netball Waitakere. She took on a position at the Northern Netball Zone as the Community Manager. We wish Karyne well in her future endeavours. The staff had diligently taken in their stride, the operations of the Centre since her departure.

Jacqui Barclay left at the end of her fixed-term full-time contract, and did over and above her written job description, hence fitting into the Netball Waitakere office team very well. She was a finalist in the category of Volunteer of the Year at the Sport Waitakere Excellence Sports Awards and won the hearts of many of our hard-working volunteers and Life members. Jacqui is on the last leg of completing her Master's in Sport and Exercise at Massey University and seeks employment in her given research field. We will miss Jacqui as 'she came, she saw, and she conquered' and left a huge task for her predecessor.

September saw the resignation of our Custodian, Mark Cozett. Mark was a conscientious, committed and loyal employee who left us here at Netball Waitakere to resume his career pathway and take up a position at the SkyCity Auckland .

Liz Beaumont joined our team as the Games Administrator. Although more challenging than she originally envisaged this position to be, Liz has been pivotal in introducing the Mobile Sporty Alert App to our membership and continues to keep us up-to-date with the trends and releases from our platform specialists - Sporty.

Rahnee Wakefield joined us in February as our Office and Events Administrator. This role was embraced by Rahnee from the onset and her well drilled organisational skills are an asset to our organisation.

Rahnee, was a member of the Comets Beko Team, under the coaching eye of Kathy Henry (and also our very own Netball Development Officer), who placed 3rd equal in the competition.

Earlier this year, we welcomed Louise Lyons as the Office Manager. Louise, who originally came to us from the travel industry, seized the responsibilities of managing the office, events and facilities management, in addition to the financial administration management of the operations.

Lastly, November saw the appointment of a Commercial Manager, Scott Mackay, who is essentially responsible for sponsorship and funding, desperately needed to assist in the operations of our Centre.

We welcome the new additions to our team, where their skills and experience will no doubt further enhance the growth of our organisation and netball community.

This has been a very testing year for the staff at Netball Waitakere since the resignation of the General Manager, yet, personally, I have not been prouder of a group of people, working towards the same goals, and achieving so much in one year. Performance, responsibility, excellence and passion which drove our winning team at our National Tournament were the same drivers of this staff, and having the life- long support from some of our stalwart netball community we have come a long way to proving Netball Waitakere as the most preferred Netball Centre in Auckland.

OUR FACILITIES

This year saw a successful application for funding from the Western Districts Community Trust, for \$300k to cover costs for a new wooden floor for our indoor arena. This has been on the top of the netball community's wish list for the past 10 years, and members, staff, and the community were elated with the good news. The floor is due to begin preparations for the floor late March, and the floor will be laid on top of the existing one, making a grand opening celebration aimed for the first Winter League Premier games for 2020. This will not enable the Centre to become more attractive to another Sport Code Partner, but franchise, touring International netball teams, and any future National Tournaments held at this Centre. Our gratitude goes to Mr Ian McHardy and Mr Malcolm J Dick, for their contributions to making our life-long dream a reality.

Peninsula Physiotherapy are new tenants at Netball Waitakere. Pat and his team are here on competition days for strapping and treatment of injuries. Peninsula Physio also operate as a walk-in physiotherapy weekly Tuesday to Friday.

Te Pai Tennis have extended their own community arm by offering Pickle Ball (a form of padded tennis) on a Wednesday morning and Wednesday evening on the indoor courts of our arena. Wednesday evenings are particularly popular as many of their members choose to play after hours as opposed to the daytime.

OUR ORGANISATION

With the excellent results of our representative teams, Netball Waitakere have a new story to tell and sell to our potential sponsors and funders. Those funders who have stayed with us in the past can now be directly involved with a Netball Centre that once supported, have the means become winners. With that in mind, we thank the following organisations: NZ Racing Board, Dragon Community Trust, The Trusts Million Dollar Mission, The Trusts, The Trusts Community Fund, NZCT, North & South Trust and Bluesky Community Trust.

Tabitha Winter
Netball Manager
