PRINCIPAL'S COMMENT

Nga mihi mahana ki a koutou katoa
(Warm greetings for the new year to you all)

With the third week of the year underway our classes are well settled and routines established. Thank you to those families who have purchased a hat for their child. Almost all our learners are wearing hats while outside, during school time, which is great. Those without hats are restricted to shade areas during lunchtimes and intervals.

Please be reminded that if your child is absent from school you must provide a reason for the absence. Justified absences include such things as illness and bereavements. Being away from school because it is your birthday is not a justified explanation. If your child is away for a sports event or any non-school organised event the law states that the Principal's permission is required.

I particularly wish to acknowledge our awesome Year 8 students. They have been great role models and have assisted us in a very smooth start to the school year. On another positive note thanks so much for supporting/encouraging your children to either walk, bike or scooter to school. These are the healthiest, most environmentally friendly means of transport to school and it is great that so many of our learners do so.

SCHOOL DONATIONS

Each year our school seeks financial support from the parent community to help fund the exciting education we offer Taradale Intermediate learners. We are very grateful to our community for the way they support this. The vast majority of our families pay the school donation in full every year. The school donation landscape has been a little confused recently with the government offering to pay schools extra grant money if they agree not to charge a school donation. Sadly, for us, this doesn't apply to Taradale Intermediate as we are a decile 9 school and this scheme applies to schools up to decile 7. The School Donation remains at \$42.50 per term, or \$170 for the year. The School Donation is not compulsory, however, these donations do contribute to our wide range of curriculum activities and are vital to allow us to deliver a broad and balanced education.

Taradale Intermediate School is well known for offering many opportunities and it continues to be a challenge funding everything we want to offer.

<https://www.linc-ed.com/parents/>

Alternatively, you can download the HERO Linc-ED app from the app store (look for the Hero logo shown to the right). If you experience any issues with the log on – please contact the school on admin@taradaleint.school.nz. This usually means we have an incorrect email address for you.

We are hoping to get the finance aspect up and running early next month which enables you to pay via the App.

In the next newsletter we will be providing information about the Celebrating Me page which is where parents and whanau can celebrate their child's achievements. We will be starting to use the community feed for parents to send out notices/newsletters/notifications. More information to follow.

We thank you for your patience while we role this out.

SCHOOL CAR PARK

Parents and caregivers are reminded not to drive into our driveway to pick up or drop off your children. This is especially important on wet days. Please ensure you park off-site and drop off or pick up your child from Murphy or Meeanee Roads.

It is safer for everyone if we all do this!
