MyCOMET: Overview

MyCOMET is the online member profile and registration portal for all members for football in New Zealand. Whether you are registering for a course or just simply paying your registration fees for the year - it is all managed through MyCOMET.

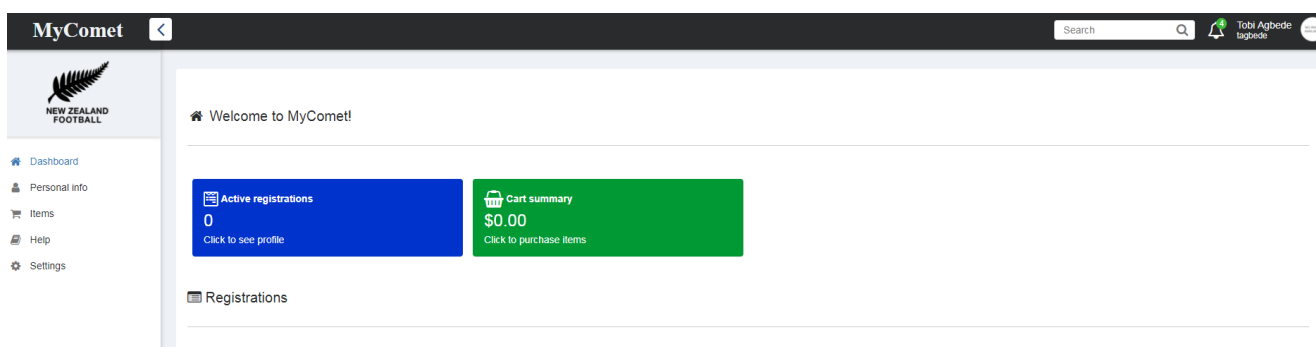

Note that if you are completely new to the game / do not have a MyCOMET profile – simply create one by selecting **Sign Up.**

Logging In

- You may access MyCOMET from [HERE](#)
- Every registered member of NZ Football will already have login credentials to sign into their MyCOMET profile.
 - If you do not have these details, select **Forgot Password** to have your credentials sent to you
 - Note that this will be sent to the email address recorded against your football profile. If you do not receive an email, get in touch with your Club or federation to ensure that your email details are correct.
- Enter in your username and password and select **Sign In**.

Once logged in you will see your dashboard. The dashboard displays an overview of your profile including your active registrations, your cart summary, history of payments, and a calendar of all upcoming matches or events that you are registered to.
