

ECB NEW BALANCE SIZE CHART

HOW TO MEASURE:

1/2 Chest or 1/2 Waist: The measurement is obtained by laying a t-shirt, tights, shorts, hoodie on a flat surface. Measure garment laying flat from left seam to right seam, just a few cm below where the sleeves join the body of the garment.

Front Length: The front length measurement is the vertical distance between the base of the neck and waist line - all on the front of the torso

Centre Back: Find the center of the back and measure from neck seam to bottom hem.
